

'Do you know why Dad reads the newspaper
... in there
... **all** the time?'

Alex didn't wait for Isabella's reply.
'Because the stinky poo grubs
forget about eating girls when their
brains are full of the sports results!'

'Do you know why Anna
spends such a long time in there?
She says she's brushing her hair,
but really she's fighting them off!'

LIKE A SUPERHERO!

'Do you know why Grandma
always makes me wash my hands
after I've been in there?
'Cause the stinky-poo grubs
don't like soap.

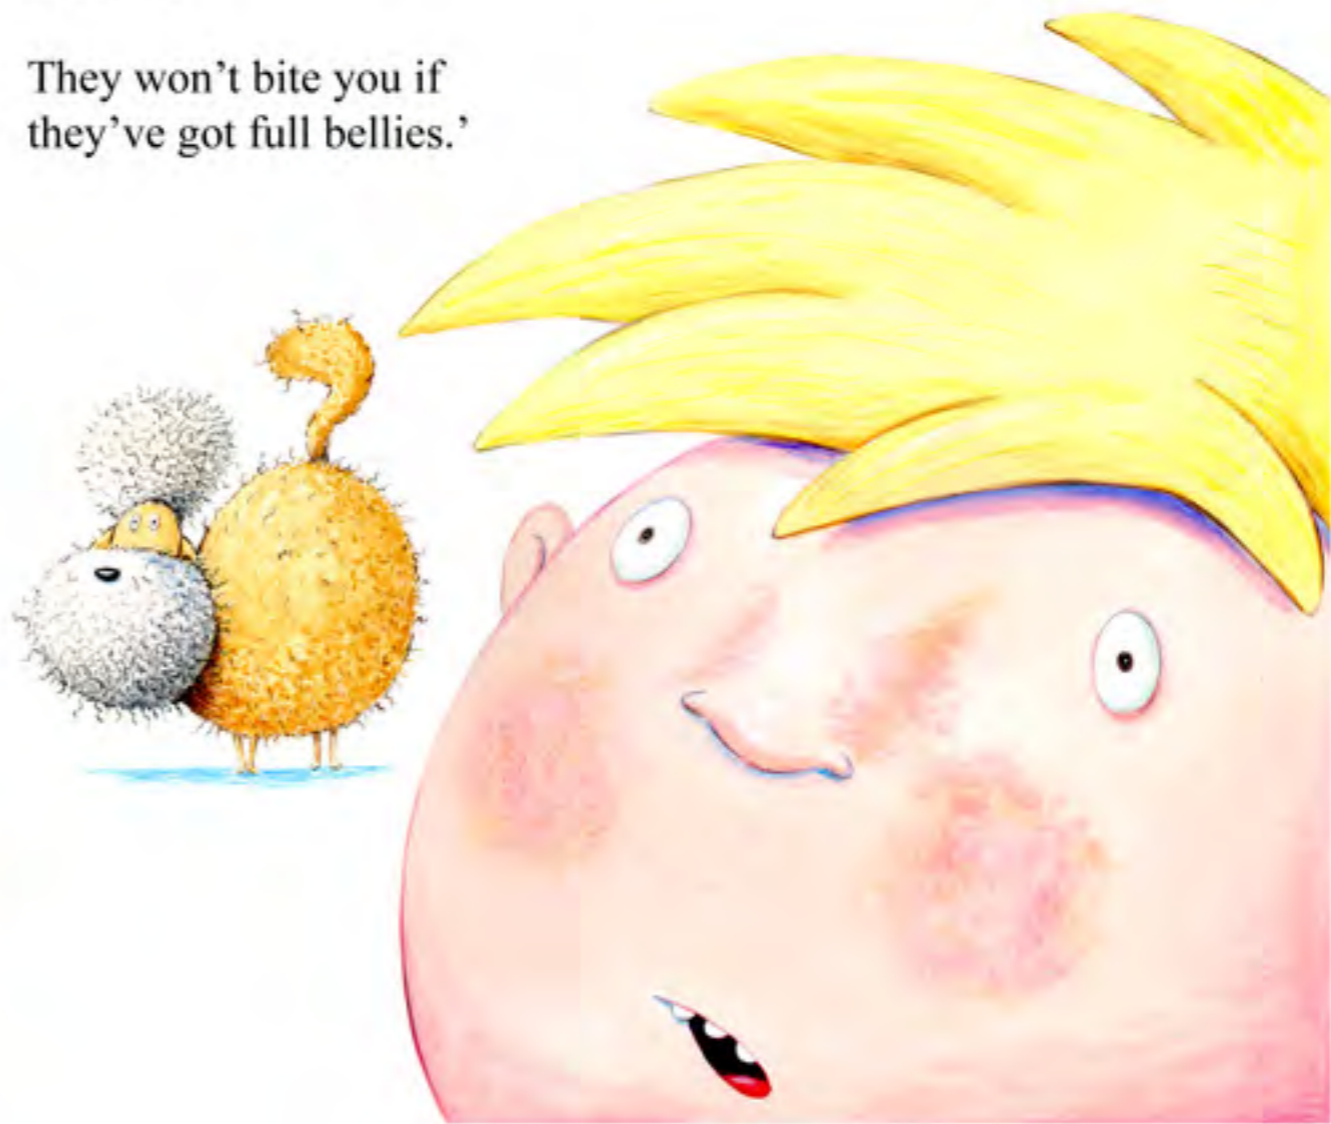

'Do you know why Grandpa is always in there, trimming those hairs that keep creeping out of his nose and ears?'

'Because he's feeding them his hair!'

They won't bite you if they've got full bellies.'

‘Well, they don’t scare me!’ said Isabella.
‘They like to bite girls? Well, I’ll mash them!’

‘Helmet on!’

‘Goggles to protect my eyes!’

‘Cricket bat for mashing! I’M READY!’

'ATTACK!'
